Armstrong, Rev. A E. 7 Feb 1915

February 18th, 1915

Rev. A. E. Armstrong,

Room 439,

Confederation Life Building, Toronto.

Dear Mr. Armstrong:

I am sending you the petition to the Government on behalf of the admission of Chinese students to Canada, which I have signed. I am glad to know that the matter is so far forward. I have for several years corresponded with Ottawa on this question, both under the former Government and the present. I wrote to Sir Robert Borden not very long ago on the matter and told Mr. Ames we should be glad to co-operate in any way. I believe that it is very wise on our part to endeavour to secure the removal of any hindrance to the incoming of Chinese students to our colleges and universities of Canada.

I shall be glad to have you come any time to talk over the possibility of making arrangements for such students when they come.

I would suggest that Chancellor Bowles and Provost Macklem might be asked to sign the petition.

With kind regards, I am,

Yours sincerely,

President.
